Success begets opportunities. The big cloth houses looked with eager eyes on the tremendous success of our recent great unloading sale. in our crowds of buyers they saw, or thought they saw, a large and unexpected outlet for their own

surplus mill stocks From all sides they besieged us and besought us to buy offering all kinds of price inducements arguing that with our unequalled manufacturing facilities we could easily make them up quickly and thus keep the sale going without a break.

THAT'S NOT OUR WAY. The sale ended as soon as its purpose was accomplished.

One Big Purchase High-Grade Serges

Among the offers, however, was one big stock of True-Blue Serges an offer so timely, so tempting, so advantageous that to miss it would mean a total lack of business judgment-a total lack of loyalty to the interests of our customers. The terms were so favorable that we

have been able to buy them and make them up into Single and Double Breasted Suits, line them with a very fine mohair serge (all silk sewing, of course) and tailor them to equal in all respects any suit ever sold by us or anybody else at \$15- yet we CAN and therefore WILL sell these perfect
